

Become a member of the Association

What does membership mean?

Members are those who hold a share in the Association and influence decision making and strategic direction.

Can I become a member?

If you are over 16-years old, have an interest in the work that we do, and have a spare £1, you can become a member.

Why do I need to pay a £1?

The £1 payment will make you a 'shareholder' of the Association and means you can:

- Become a member of the Association
- Stand for election for our Management Committee
- Attend and participate in our Annual General Meeting

How do I become a member?

You need to complete this membership application form and return to us with the £1 payment. Our Management Committee will consider your application at their next meeting, and if your application is approved, we will contact you to provide you with:

- your share certificate,
- further information about your membership,
- information about how to get involved,
- information about your rights and responsibilities, and
- how to terminate your membership (if you wish).

Find out more about our membership and other ways to get involved on our website.

Membership Form

Fully complete the membership form and return to our reception, with your £1.
